# Continuing Education Disclosure

Children's Nebraska medical and nursing education policy requires independence and objectivity for all educational activities. All faculty and planning committee members are expected to disclose to the planning committee and audience any relevant financial relationships.

Dr Niebur served on a marketing advisory board for Enzyvant Therapeutics and principal investigator for a clinical trial site for AstraZeneca. Dr Krajicek serves on speaker bureaus for AstraZeneca and Sanofi. All relevant financial relationships for these individuals have been mitigated. No other financial relationships were identified for any member of the planning committee or presenter/ author.
